Celebration of the Arts

Every year Ridgewood High School's Visual and Practical Arts Department puts on the Celebration of the Arts, a day long festival that celebrates student art and artistic achievement. The day is commemorated by various musical and dance performances, artistic displays, exhibits, and of course the multitude of student artwork that is hung around the school. Students are also encouraged to participate in a scavenger hunt that has to do with the artwork. This day is enjoyed by students and faculty. Good job to all the artists and performers.
